

Changes to the Side Menu in learningBOX Ver. 2.26

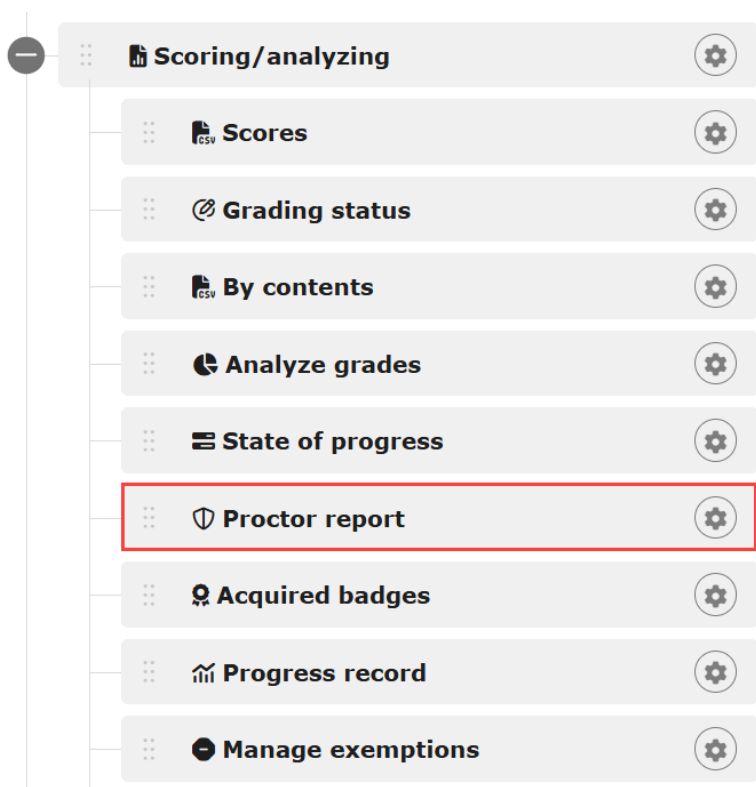

We would like to inform you about the changes to the Manage menu in ver. 2.26.
Please note that these changes are based on the content applied to the shared server (<https://lms.learningbox.online/>).
Please make changes if necessary.

▼Details of the Changes

There are four changes as described below.

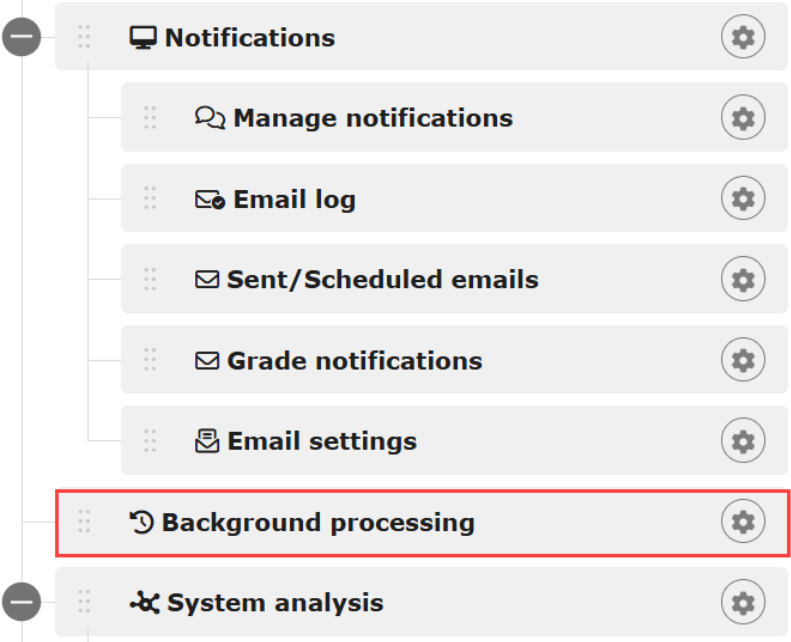

1. Addition to Menu: Proctor Report

1. Go to the Site customizer > Manage menu > “Edit” on the Side menu.
2. “Proctor report” has been added to the Available menu.
3. Place the item under the State of progress in the Scoring/analyzing on the side menu.

Item of the side menu	Proctor report
Changes	 <p>The screenshot shows a side menu with a collapse button (minus sign) on the left. The 'Scoring/analyzing' category is expanded, showing a list of items: Scores, Grading status, By contents, Analyze grades, State of progress, Proctor report (highlighted with a red box), Acquired badges, Progress record, and Manage exemptions. Each item has a gear icon for settings.</p>
Remarks	

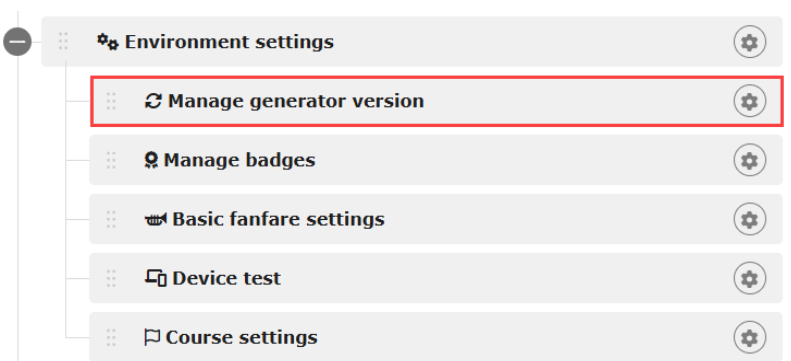

2. Addition to Menu: Background Processing

1. Go to the Site customizer > Manage menu > “Edit” on the Side menu.
2. “Background processing” has been added to the Available menu.
3. Place the item above the System analysis on the side menu.

Item of the side menu	Background processing
Changes	 <p>The screenshot shows a side menu with a collapse icon on the left. The menu items are: Notifications (with a bell icon), Manage notifications (with a speech bubble icon), Email log (with an envelope icon), Sent/Scheduled emails (with an envelope icon), Grade notifications (with an envelope icon), Email settings (with a document icon), Background processing (highlighted with a red box and a circular arrow icon), and System analysis (with a gear icon). Each item has a settings gear icon on the right.</p>
Remarks	

3. Menu Replacement: Manage Generator Version

1. Go to the Site customizer > Manage menu > “Edit” on the Side menu.
2. “Manage generator version” has been added to the Available menu.
3. Place the item under the Environment setting on the side menu.
4. Click on the trash can icon on the Manage generator to delete it.

Item of the side menu	Manage generator version
Changes	 <p>The screenshot shows a side menu with a collapse icon on the left. The menu items are: Environment settings (with a gear icon), Manage generator version (highlighted with a red box and a circular arrow icon), Manage badges (with a badge icon), Basic fanfare settings (with a fanfare icon), Device test (with a device icon), and Course settings (with a document icon). Each item has a settings gear icon on the right.</p>
Remarks	<p>When the trash can icon is not displayed: There is no need to edit anything if the “Manage generator version” has already been added under the “Environment settings”.</p>
