

Changes to the Side Menu in learningBOX Ver.2.28

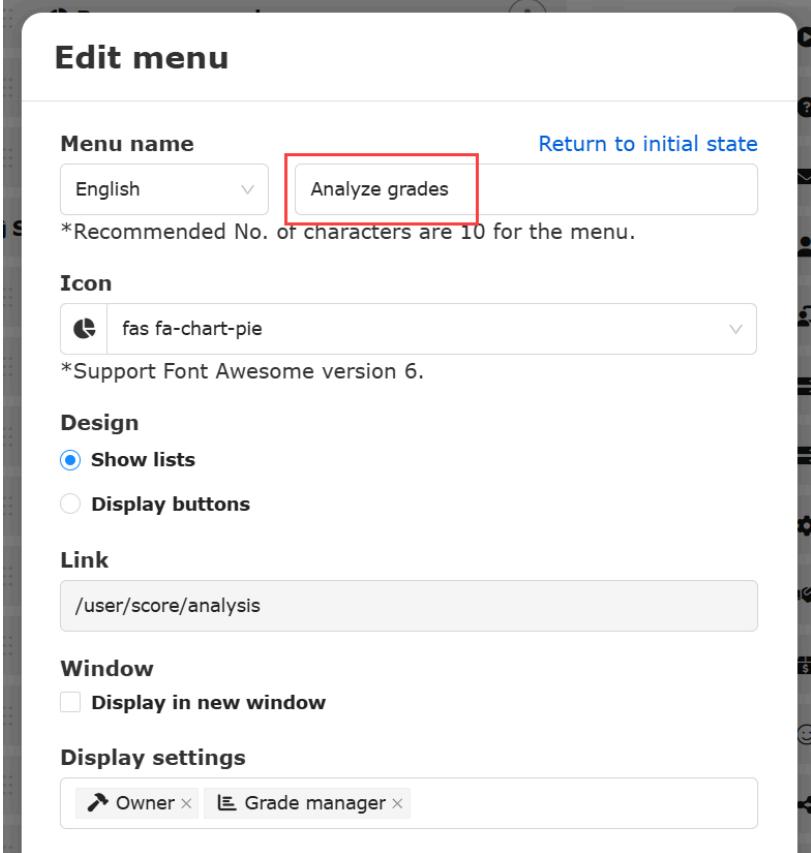

We would like to inform you about the changes to the Manage menu in ver. 2.28.
Please note that these changes are based on the content applied to the shared server
(<https://lms.learningbox.online/>).
Please make changes if necessary.

▼Details of the Changes

There are eight changes as described below.

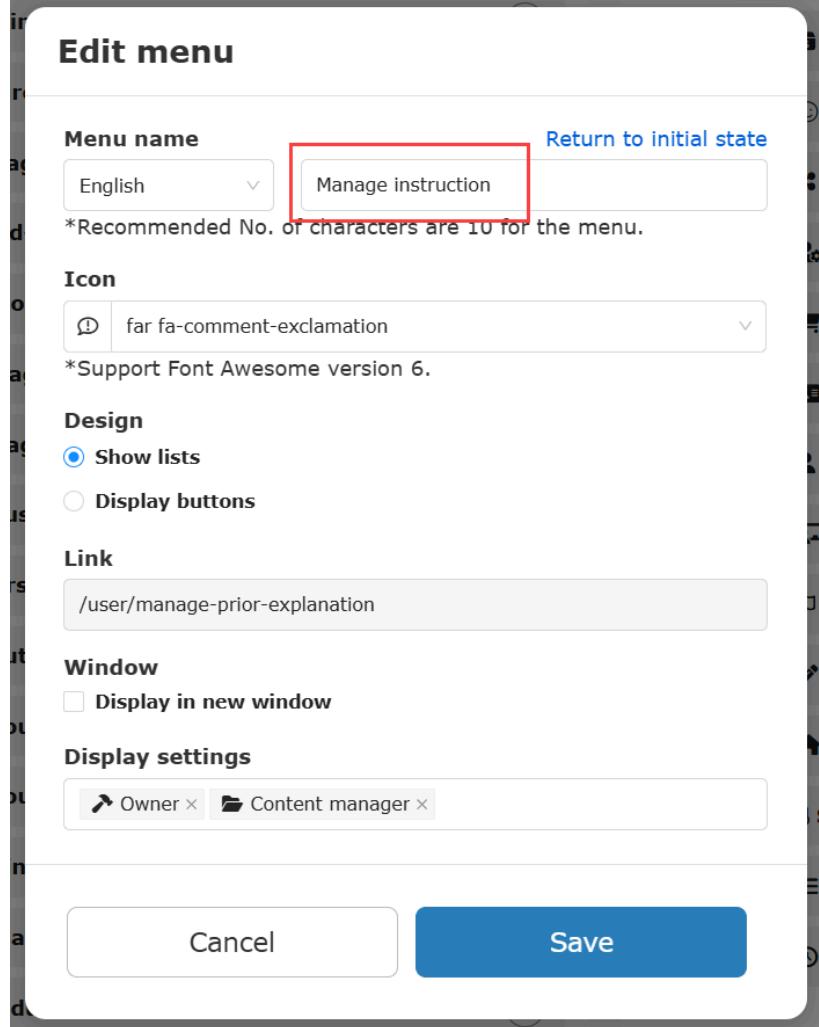

1. Change of Menu Name: Analyze Scores⇒Analyze Grades

1. Go to the Site customizer > Manage menu > "Edit" on the Side menu.
2. Click the gear icon on the Analyze scores > Edit.
3. Change the menu to "Analyze grades" for the English menu.

Item of the side menu	Analyze scores
Changes	
Remarks	

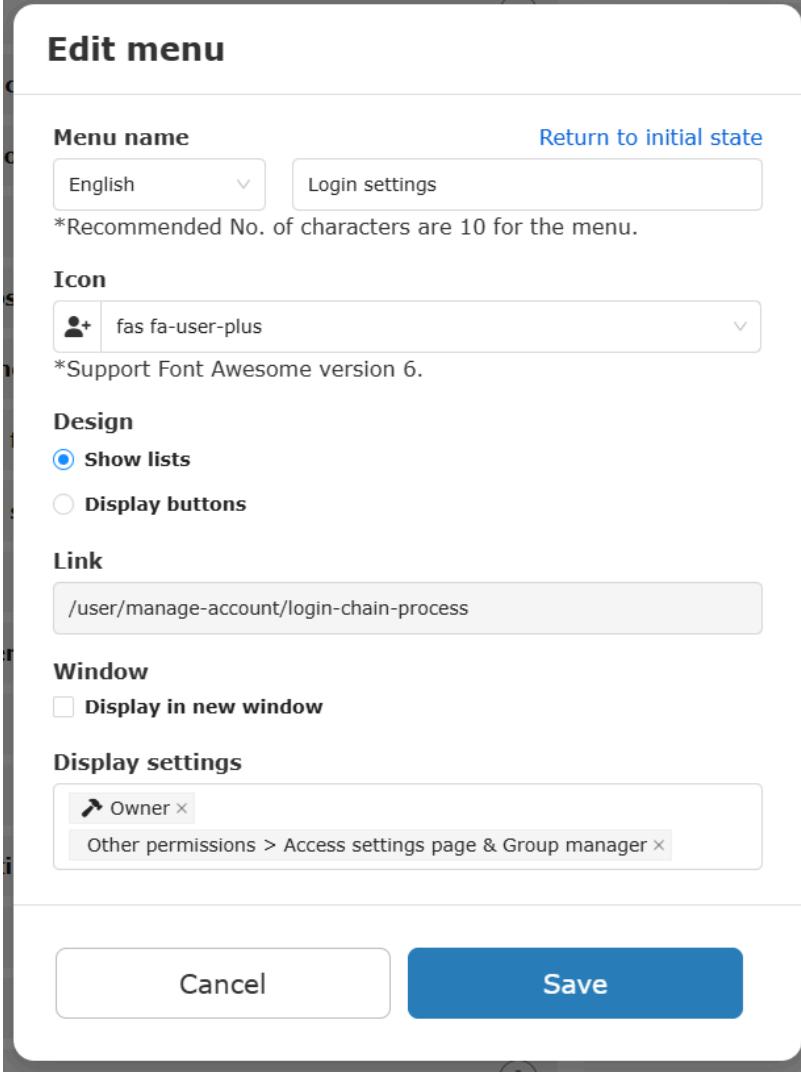

2. Change of Menu Name: Manage Outline Templates⇒Manage Instruction

1. Go to the Site customizer > Manage menu > "Edit" on the Side menu.
2. Click on the gear icon on the Manage outline templates > Edit.
3. Change the menu to "Manage instruction" for the English menu.

Item of the side menu	Manage outline templates
Changes	 <p>The screenshot shows the 'Edit menu' dialog box. In the 'Menu name' section, the 'English' dropdown is selected and a red box highlights the input field containing 'Manage instruction'. A note below says '*Recommended No. of characters are 10 for the menu.' The dialog also includes sections for 'Icon' (set to 'far fa-comment-exclamation'), 'Design' (radio buttons for 'Show lists' and 'Display buttons' with 'Show lists' selected), 'Link' (set to '/user/manage-prior-explanation'), 'Window' (checkbox for 'Display in new window' unchecked), and 'Display settings' (dropdown showing 'Owner' and 'Content manager'). At the bottom are 'Cancel' and 'Save' buttons, with 'Save' being blue.</p>
Remarks	

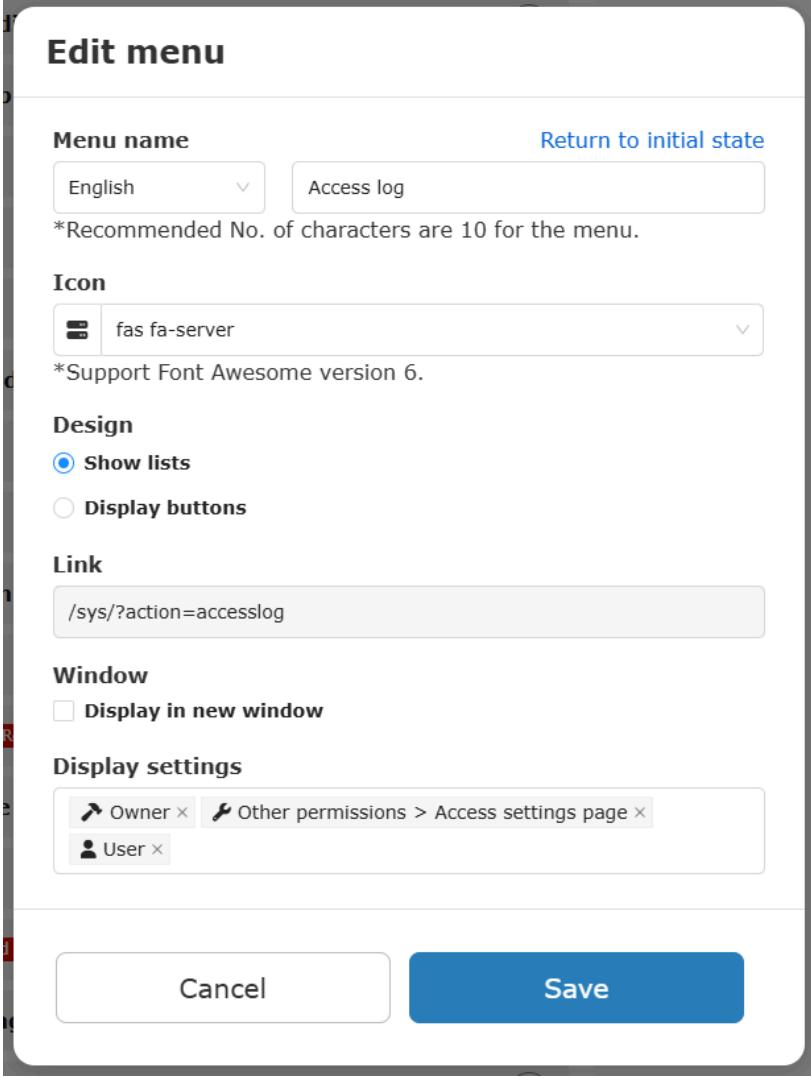

3. Change of Menu Name: Sign-in Settings⇒Login Settings

1. Go to the Site customizer > Manage menu > "Edit" on the Side menu.
2. Click the gear icon on the Login settings.
3. Change the English menu name into Login settings.

Item of the side menu	Login settings
Changes	 <p>The screenshot shows the 'Edit menu' dialog box. The 'Menu name' field contains 'English' and 'Login settings'. A note says '*Recommended No. of characters are 10 for the menu.' The 'Icon' field shows a user icon and 'fas fa-user-plus'. A note says '*Support Font Awesome version 6.' Under 'Design', the 'Show lists' radio button is selected. Under 'Link', the URL is '/user/manage-account/login-chain-process'. Under 'Window', the 'Display in new window' checkbox is unchecked. Under 'Display settings', there are two entries: 'Owner' and 'Other permissions > Access settings page & Group manager'. At the bottom are 'Cancel' and 'Save' buttons.</p>
Remarks	

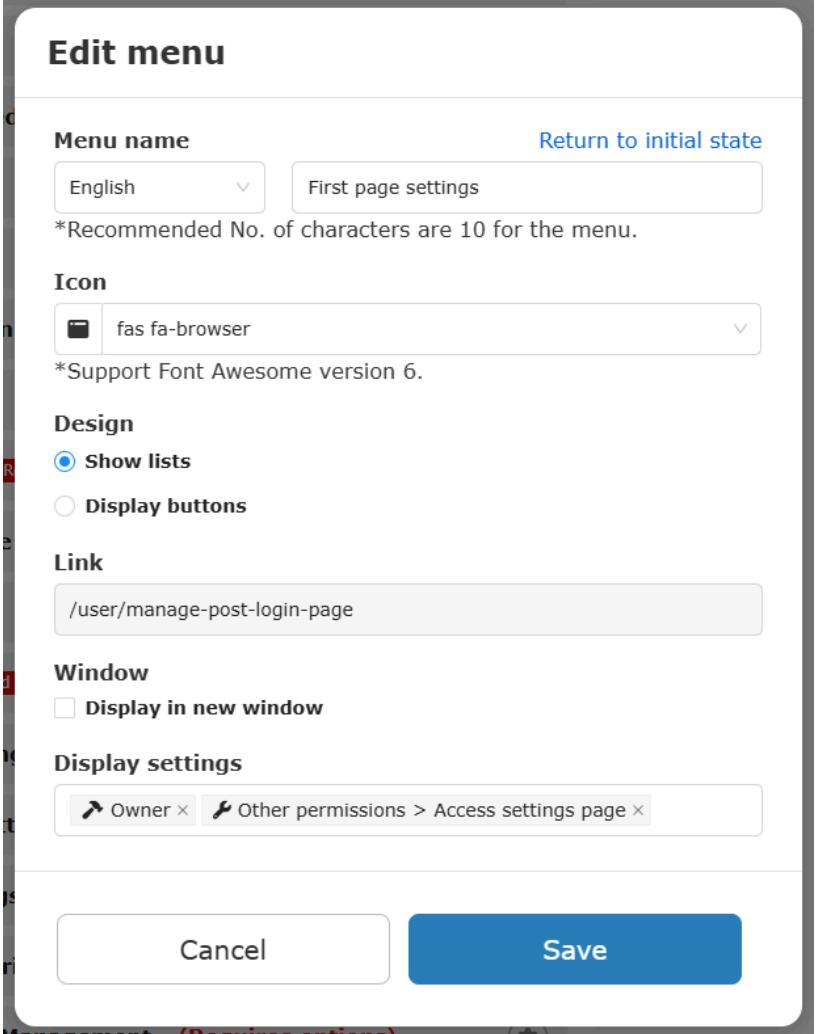

4. Change of Menu Name: Access Logs⇒Access Log

1. Go to the Site customizer > Manage menu > "Edit" on the Side menu.
2. Click the gear icon on the Access log.
3. Change the English menu name into Access log.

Item of the side menu	Access log
Changes	 The screenshot shows the 'Edit menu' dialog box. In the 'Menu name' section, 'English' is selected in a dropdown and 'Access log' is entered in the input field. A note says '*Recommended No. of characters are 10 for the menu.' In the 'Icon' section, a Font Awesome icon 'fas fa-server' is selected. A note says '*Support Font Awesome version 6.' Under 'Design', the 'Show lists' radio button is selected. Under 'Link', the URL '/sys/?action=accesslog' is specified. Under 'Window', the 'Display in new window' checkbox is unchecked. Under 'Display settings', 'Owner' and 'User' permissions are selected. At the bottom are 'Cancel' and 'Save' buttons, with 'Save' being blue and bold.
Remarks	

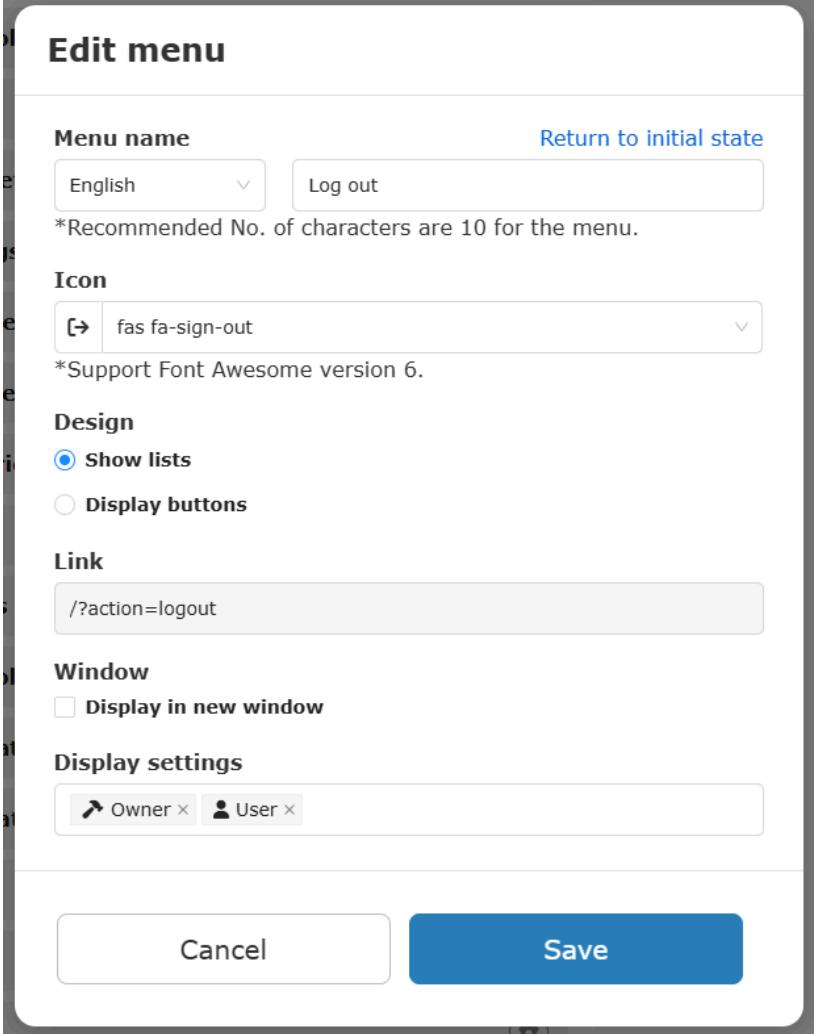

5. Change of Menu Name: Page after Sign-in Settings⇒First Page Settings

1. Go to the Site customizer > Manage menu > "Edit" on the Side menu.
2. Click the gear icon on the First page settings.
3. Change the English menu name into the First page settings.

Item of the side menu	First page settings
Changes	 <p>The screenshot shows the 'Edit menu' dialog box. At the top, there's a 'Menu name' field set to 'English' with a dropdown arrow, and a 'First page settings' button. A note says '*Recommended No. of characters are 10 for the menu.' Below that is an 'Icon' field with a small icon of a browser and the text 'fas fa-browser'. A note says '*Support Font Awesome version 6.' Under 'Design', a radio button for 'Show lists' is selected. There are also options for 'Display buttons'. The 'Link' field contains the URL '/user/manage-post-login-page'. In the 'Window' section, a checkbox for 'Display in new window' is checked. The 'Display settings' section shows 'Owner' selected. At the bottom are 'Cancel' and 'Save' buttons.</p>
Remarks	

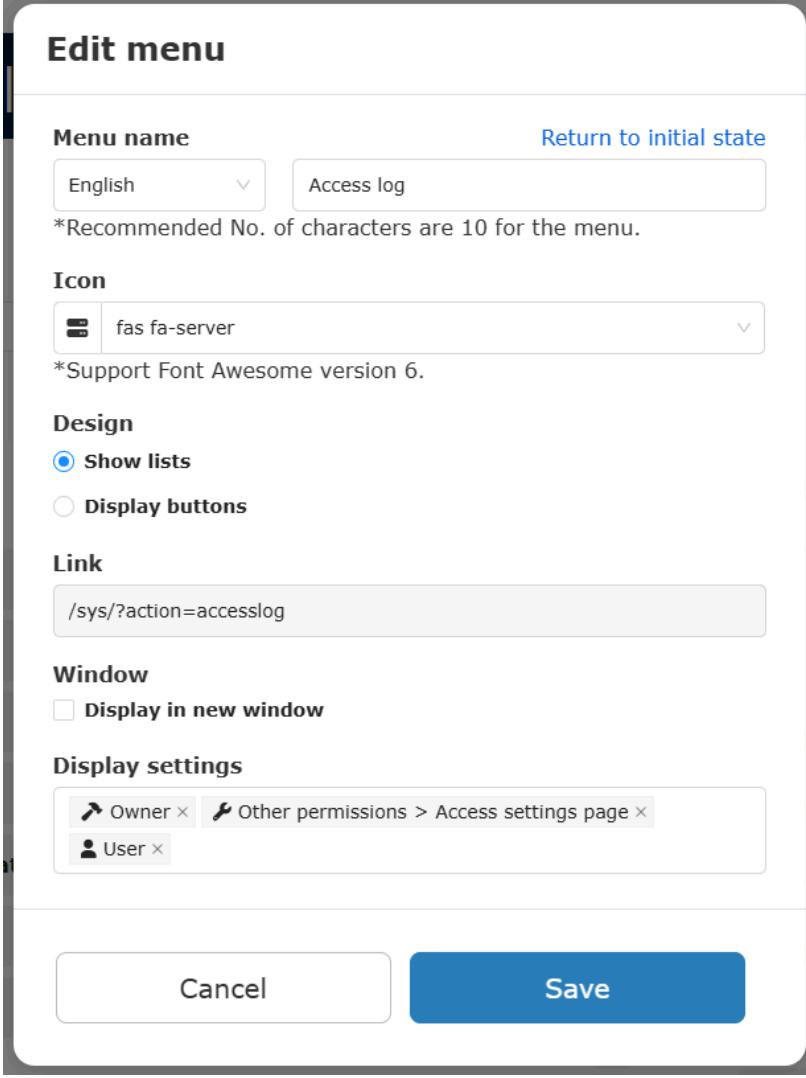

6. Change of Menu Name: Sign out⇒Log out

1. Go to the Site customizer > Manage menu > "Edit" on the Side menu.
2. Click the gear icon on the Log out.
3. Change the English menu name into the Log out.

Item of the side menu	Log out
Changes	 A screenshot of the 'Edit menu' dialog box. The 'Menu name' field shows 'English' and 'Log out'. The 'Icon' field shows a right-pointing arrow and 'fas fa-sign-out'. The 'Design' section has 'Show lists' selected. The 'Link' field contains '/?action=logout'. The 'Window' section has 'Display in new window' unchecked. The 'Display settings' section shows 'Owner' and 'User' selected. At the bottom are 'Cancel' and 'Save' buttons. <p>Return to initial state</p> <p>*Recommended No. of characters are 10 for the menu.</p> <p>Icon</p> <p>Design</p> <p>Show lists</p> <p>Display buttons</p> <p>Link</p> <p>Window</p> <p>Display settings</p> <p>Cancel</p> <p>Save</p>
Remarks	

7. Change of Header Menu Name: Access Logs⇒Access Log

1. Go to the Site customizer > Manage menu > "Edit" on the Header menu.
2. Click the gear icon on the Access log.
3. Change the English menu name into Access log.

Item of the side menu	Access log
Changes	 The screenshot shows the 'Edit menu' dialog box. In the 'Menu name' section, 'English' is selected in a dropdown and 'Access log' is entered in the input field. A note says '*Recommended No. of characters are 10 for the menu.' In the 'Icon' section, a Font Awesome icon for a server ('fas fa-server') is selected. A note says '*Support Font Awesome version 6.' In the 'Design' section, the 'Show lists' option is selected. In the 'Link' section, the URL '/sys/?action=accesslog' is entered. In the 'Window' section, the 'Display in new window' checkbox is unchecked. In the 'Display settings' section, 'Owner' and 'User' permissions are selected. At the bottom are 'Cancel' and 'Save' buttons. <p>Access log</p> <p>Return to initial state</p> <p>English Access log</p> <p>*Recommended No. of characters are 10 for the menu.</p> <p>Icon</p> <p>fas fa-server</p> <p>*Support Font Awesome version 6.</p> <p>Design</p> <p>Show lists</p> <p>Display buttons</p> <p>Link</p> <p>/sys/?action=accesslog</p> <p>Window</p> <p>Display in new window</p> <p>Display settings</p> <p>Owner Other permissions > Access settings page</p> <p>User</p> <p>Cancel Save</p>
Remarks
