

Changes to the Side/Header Menu in learningBOX Ver. 3.0

We would like to inform you about the changes to the Manage menu in ver. 3.0.
Please make changes if necessary.

*Refer to the following link to edit menu

• [Manage menu](#)

Side menu

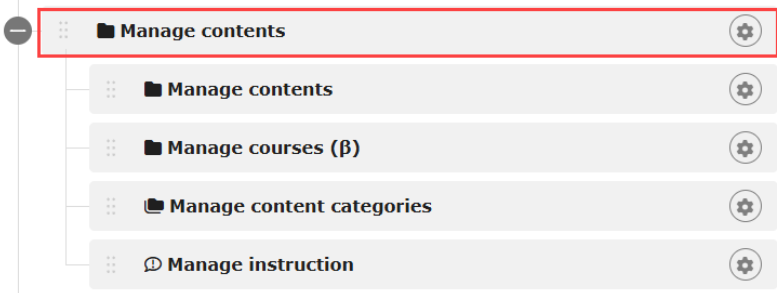

▼Details of the Changes

There are four changes as described below.

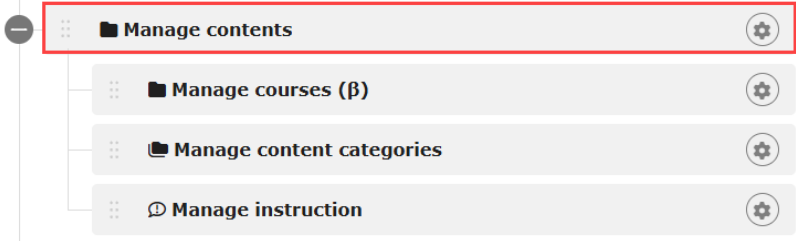

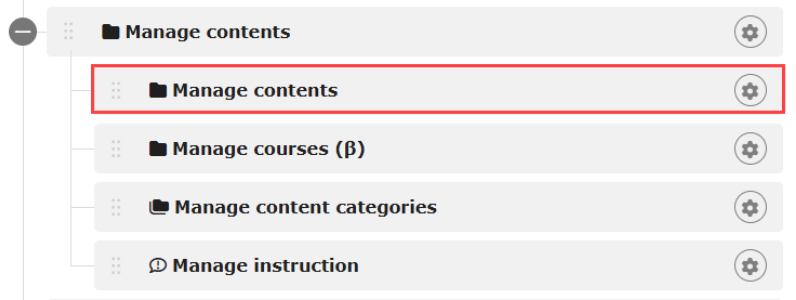

1. Addition to Menu: Manage contents

New “Manage contents,” which is created from the Create custom menu, has been added as the top of the hierarchy.

From this change, the conventional one has been placed under the new Manage contents, as a top of the children group.

Added side menu	Manage contents
Changes	<p>The top of the Manage contents</p> 
Item name	<p>Japanese: コンテンツ管理 English: Manage contents Indonesian: Kelola konten German: Inhalte verwalten Spanish: Administrar contenidos French: Gérer le contenu Burmese: အကြောင်းအရာများကို စီမံပါ။ Portuguese: Gerenciar conteúdos Tagalog: Pamahalaan ang mga nilalaman Vietnamese: quản lý nội dung Russian: Управление содержимым Urdu: مواد کا نظم کریں۔ Hindi: सामग्री प्रबंधित करें Thai: จัดการเนื้อหา Khmer: គ្រប់គ្រងមាតិកា</p>

	Chinese (Simplified): 管理内容 Chinese (Traditional): 管理內容 Korean: 콘텐츠 관리
Icon	fas fa-folder
Design	List
Link	-
Remarks	This action requires manual operation.

Item of the side menu	Manage contents
Before change	<p>Manage contents > Top of the hierarchy</p> 
After change	<p>Manage contents > Under the new Manage contents</p> 
Remarks	This action requires manual operation. The conventional Manage menu will be discontinued in the Ver. 5.0 series, scheduled for release in March 2026.

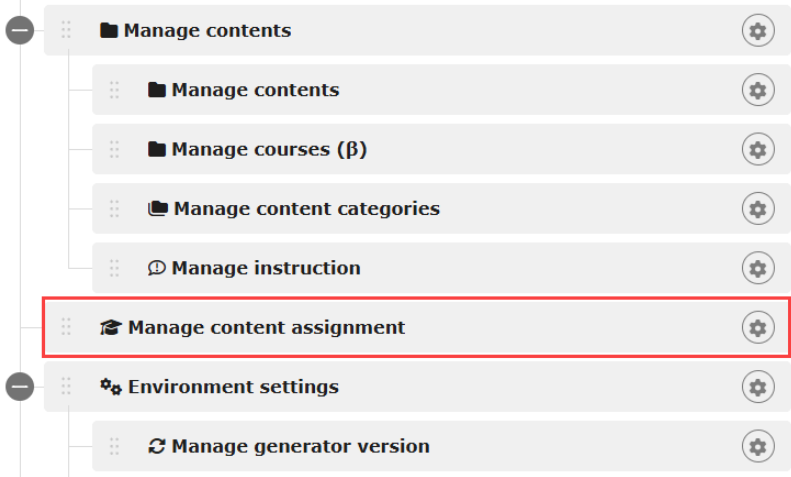

2. Icon change: Manage notifications

The icon of the Manage notifications has been changed.

Item of the side menu	Manage notifications
Before change	far fa-comments
After change	fa-regular fa-bell
Remarks	If you want to display the new icon, manual operation is required.

3. Addition to Menu: Manage content assignment

The “Manage content assignment” has been added above the Environment settings.

Item of the side menu	Manage content assignment
Changes	<p>Placed above the Environment settings</p>  <p>The screenshot shows a side menu with several items. The item 'Manage content assignment' is highlighted with a red rectangular box. It is positioned between 'Manage instruction' and 'Environment settings'. The 'Environment settings' item is below it, and 'Manage generator version' is at the bottom. The 'Manage content assignment' item has a gear icon on the right.</p>
Remarks	This item has been added to the Available menu. If you want to add this function, please move it to the side menu to display.

Header menu

▼Details of the Changes

There is one change as described below.

1. Addition to Menu: Notification

“Notification” has been added to the top of the header menu.

Item of the header menu	Notification
Changes	<p>Placed at the top of the header menu</p>  <p>The screenshot shows a header menu with the title 'Header menu'. Below the title, there are three menu items: 'Notification' (with a bell icon), 'Language' (with a globe icon), and 'Order Pro plan' (with a tag icon). The 'Notification' item is highlighted with a red border, indicating it is the new addition.</p>
Remarks	<p>This item has been added to the Available menu. If you use the notification features, please add this item to display.</p>
